

## **USAID Business Enabling Project**

The USAID Business Enabling Project is a five-year, USAID-funded project implemented by Cardno Emerging Markets USA, Ltd. to assist the Government of Serbia to strengthen the business environment, fiscal and macroeconomic management, and financial market development. It will provide long-term technical assistance and other support to help advance legal and regulatory reforms, build institutional and professional capacity, improve public education, and other activities as may be requested by the Government of Serbia.

**Cardno Emerging Markets INVITES talented and ambitious final year students or recent graduates of Economic, Law, Social or Organizational Sciences to apply for the**

## **Internship Program**

Internship activities include:

- Support for research and survey projects;
- Research and analysis of relevant laws, regulations, and practices related to the business environment in Serbia;
- Gathering and analysis of data to support the project's activities;
- Working with the assigned mentor to conduct independent research and draft a paper, and present it to the Project by the end of the Internship, and
- Other logistic support to project activities, as assigned by the Mentor, DCoP and CoP.

Candidates are expected to have:

- GPA during undergraduate studies of 8.0 or greater;
- Native Serbian and very good knowledge of oral and written English;
- Excellent computer skills and proficiency in Microsoft Office applications (Word, Excel and PowerPoint, web search), and
- Good organizational and communication skills.

### **Application:**

Qualified applicants are invited to send a motivation letter of between one and three pages, CV, transcript, and two recommendation letters. All materials must be submitted in English by November 5, 2012, to the following e-mail address: [info@bep.rs](mailto:info@bep.rs).
